RE: 2018 Prescription Drug Co-Payment Reimbursement Benefit

Dear Local 1070 NYS Active/Retired Bargaining Unit Member:

Together with DC37 Local 1070 President Fausto Sabatino, the DC37 Health & Security Plan is pleased to provide a Prescription Drug Co-Payment Reimbursement Benefit to all eligible bargaining unit members and retirees from the New York State Court System, represented by DC37 Local 1070.

For Calendar Year 2018, each eligible bargaining unit member or retiree will be eligible to receive a reimbursement for prescription drug co-payments of up to a maximum of \$300 per family for any amount over \$1. *However, only one reimbursement request per family will be accepted for the prescription drug co-payment reimbursement during Calendar Year 2018.*

The following examples explain how the reimbursement is determined:

If the total out-of-pocket prescription drug co-payment for you and your family for the period of January 1, 2018 through December 31, 2018 was \$150; you will be eligible to receive a reimbursement payment of \$150.

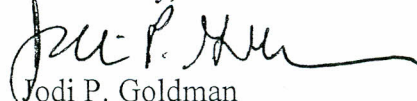

If the total out-of-pocket prescription drug co-payment for you and your family for the period of January 1, 2018 through December 31, 2018 was \$400; you will be eligible to receive a reimbursement payment of \$300, the maximum benefit amount.

Please complete the enclosed application form and submit it for payment along with an Explanation of Benefits (EOB) statement from your prescription drug benefit provider documenting your total out-of-pocket prescription drug co-payments for the calendar year 2018. The EOB statement must be attached to the application. Your application will not be processed without the EOB statement. The application and EOB statement must be returned to the Health & Security Plan's office, in the enclosed self-addressed envelope **no later than April 30, 2019.**

You can contact the New York State Health Insurance Program (Empire Plan: 1-877-769-7447) or your HMO for information on how to request an Explanation of Benefits statement reflecting your year-end total prescription drug co-payments. You may also be able to request this statement directly from your prescription drug benefit provider's website.

If you have any questions regarding this benefit, please contact the DC37 Health & Security Plan's Inquiry Unit (212-815-1234).

In Solidarity,

Jodi P. Goldman
Associate Administrator
